Hunt!

Celebrate World Beach Month with a Sea Turtle Scavenger Hunt on Bridge Street!

Take a photo with each turtle (no purchase necessary):

1. Tita the turtle received an escort, To help him find a historic resort. He was so excited for a fun stay on his Anna Maria Island turtle vacay! Hint: Where do you go to check in? (BridgeWalk Office)
2. Thomas the turtle decided it was time to redecorate, he just hoped it wasn't too late! He remembered mermaids have excellent style and he was sure their treasures would make him smile! Hint: Ariel loves to shop here too! (BridgeWalk near Mermaid Haven)
3. Tony the turtle decided to take a stroll to check out the watering hole. He thought a round of minigolf might be fun! He hoped he'd get a hole in one! Hint: where do you play putt-putt golf? (Fish Hole)
4. Toby the turtle thought it was bizarre, that everyone on Bridge Street thought he was a movie star! He decided he might need some new sunglasses, to disguise him from the masses! Hint: Curious or odd? No, just souvenirs from ceiling to floor. (Bridge Street Bazaar)
5. Timmy the turtle wanted to send a letter. Then he realized a postcard might be better. He addressed it to the turtle nest. And then was so tired he had to take a rest. Hint: Where do you mail a letter? (Post Office Bench)
6. Navy, cobalt, aqua or teal, if you go here to eat an evening meal, Little Tamarin you will soon reveal! Hint: Do you see a fish restaurant? (Blue Marlin)
7. Croissants, syrup, and fresh bread, Little Taser is looking to be fed, perhaps not American, but with a European flare instead. Hint: Oui, Oui Madame. (Island Creperie)
8. Eat in a wooden boat or in a fun tiki hut, Tanya's little flippers will certainly jut, As she sets out for lunch with a mighty strut. Hint: Do you see a monkey in a palm tree? (Bridge Tender)
9. No, not Cinderella, but Tiana will run, when the twelve chimes are finally done, To you this little turtle will certainly come. Hint: Tik Tok, Tik Tok (Clock Tower)
10. This is an eatery where pearls abound along with fish and plenty of french fries around. Hiding near the docks, our little Trevor can be found. Hint: Fishermen and pelicans can be sighted from here. (City Pier near AMOB)

Complete all stops and visit the Welcome Tent to show your photos and enter our monthly raffle.
